

Please join me!

Please join me in supporting our most vulnerable neighbors!

Although we all have faced challenging times over the past three years, my commitment to our community has not diminished. As you might know, people living with HIV/AIDS are especially vulnerable to higher rates of food and housing insecurity and suffer from health conditions such as diabetes—all of which further increases their risk of complications from the coronavirus disease.

Donating and supporting AIDS Walk New York will directly enable GMHC to continue to innovate, lead, and deliver vital services for those affected by HIV/AIDS at a time when they are especially needed. Check out all their services at gmhc.org.
