

Please join me!

Please join me in supporting our most vulnerable neighbors!

While we have come a long way since the early years of the AIDS epidemic, people living with HIV and AIDS continue to face new, life-threatening circumstances. Too many GMHC clients living with HIV or AIDS experience higher rates of food and housing insecurity, unemployment, and lack of access to health services, such as HIV and STI testing. They need our help!

Donating and supporting AIDS Walk New York will directly enable GMHC to continue to innovate, lead, and deliver vital services for those affected by HIV and AIDS at a time when they are especially needed. Check out all their services at gmhc.org.
